Our Common Purpose is to build a learning community passionately committed to engaged and purposeful learning, tailored to meet the intellectual, social and emotional needs of each child. Croydon West School emphasises the development of those interpersonal relationships, skills and understandings, and values and attitudes, necessary for lifelong learning - and celebrates diversity.

To this end, our school is an inclusive learning community - focussed, purposeful, happy, disciplined and calm.

‘You’ll be impressed with Croydon West’

Phone 9870 1566 today to make an appointment for your own guided tour of this wonderful child-centred school.

At Croydon West Primary School we understand that the core business of the school is learning; learning to think, learning to be good citizens, learning to value beauty and kindness, learning to be literate and numerate, learning to respect and be respected; learning to learn more. We achieve these learnings through high expectations of student effort and behaviour.

Your kids will love being here!
