These guidelines outline how schools must implement the Parent Payments policy. The guidelines are mandatory for Victorian government schools.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.

AINSLIE PARKLANDS PRIMARY SCHOOL PARENT PAYMENT ARRANGEMENTS

After much consideration of the school's programs and the resources needed to support them, School Council has adopted its budget for 2022. In doing so, School Council has sought to balance the local community's capacity to contribute to these costs against the desire to ensure our children have access to the best possible materials and equipment.

In order to provide our quality education program at Ainslie Parklands Primary School we ask parents to consider payment for all school contributions for essential learning.

School funding consists of
