Issue No.07 2020

### Key Dates for Term 2

**Curriculum Day:** Monday 25<sup>th</sup> May

**Term 2 finish:** Friday 27<sup>th</sup> June

### FROM THE PRINCIPAL

#### Curriculum Day – Monday 25<sup>th</sup> May

Please be reminded that there will be no school for students, either onsite or online, on **Monday 25<sup>th</sup> May**.

#### Return to Onsite Learning – Stage 1

Early this week the school community received an overview of our plans to support the return to school of students from Foundation to Year 2.

We are very much looking forward to seeing them all next week.

#### School Values: Video Project

Thank you to everyone who support our School Values video project. The video can be found on our Facebook and Seesaw. Huge thankyou to Scott Huddleston for his time and effort putting the video together.

### Enrolments for 2021

For current families who have Foundation children for 2021, we are accepting enrolments from this time. You can download an enrolment form from our website call the office on 9870 1566 for more information.

If you know people who may be interested to enrol at our school, I will be offering virtual tours throughout this term. More information regarding this process can be found on the [APPS website](http://www.ainslieparklandsp.vic.edu.au)

### Survey – Learning from Home

Thank you to everyone who has taken the time to complete our Parent Survey about your experience with Learning from Home. If you have not had the opportunity to feedback, you can access the survey below:

## FROM THE STUDIOS

### Foundation

Taylor, Billie and Meher showed they have made excellent progress with their reading and writing skills. During our small group Webex session, they worked hard to hear the sounds in words and write them.

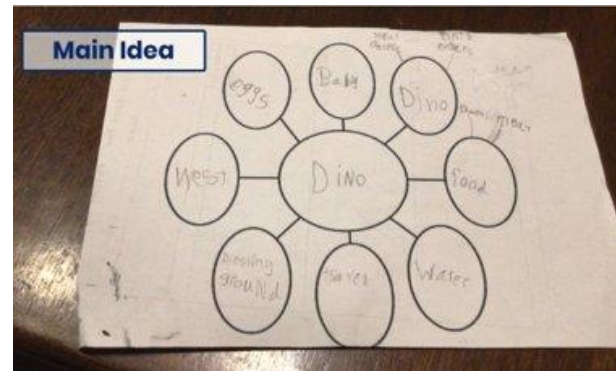

Ehser has been using his sound knowledge to write sentences. He has remembered to leave spaces between words and to start with an uppercase letter!

For Maths we have been looking at recording data, and Osgar used tallying to record the toss coin flip challenge. He flipped a coin 20 times – Tails won!

Maddy used a ruler and different coloured beads to show different skip counting patterns you can find on a number line!

Dominic has brainstormed Dinosaurs for his Information Report. He has lots of sub topics that come off his main idea!

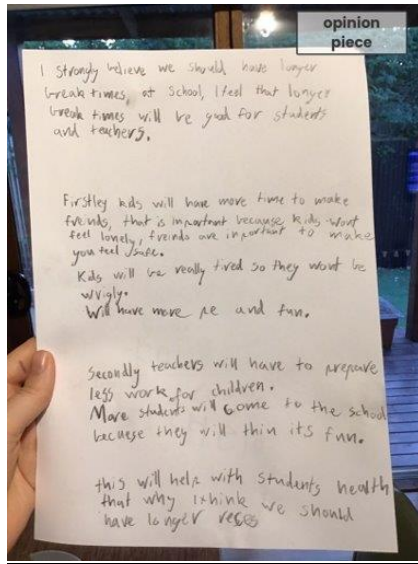

Sam chose to draw a diagram of a butterfly and used scientific words to correctly label the different parts including proboscis, thorax and even veins.

For the whole school values project, Arohi made a values crown to show responsibility when packing away her things.

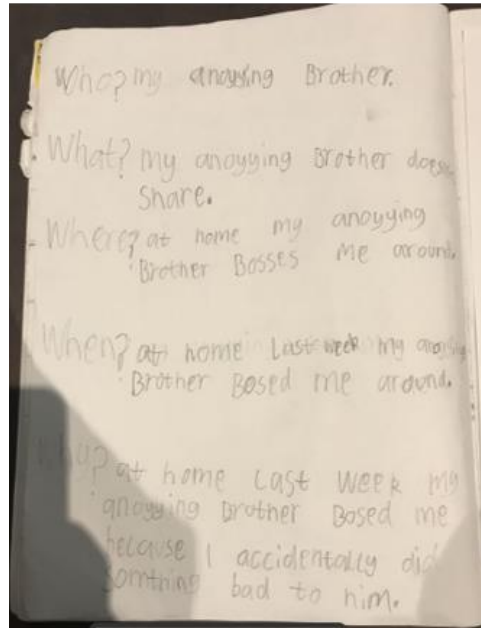

## 3/4 Studio

Sol wrote a fantastic persuasive text on why we should have longer break times a school. What do you think Mr MacKenzie?

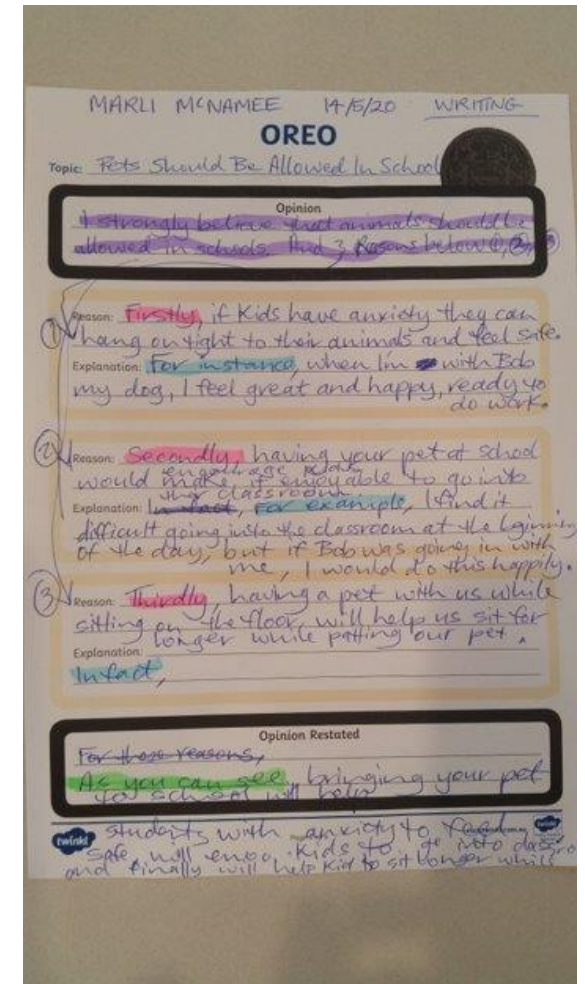

Acacia completed this beautiful puzzle to help her relax. Well done for looking after your wellbeing Acacia.

Jayden did a great job demonstrating how we can build on our sentences. Hopefully is brother isn't really annoying!

Maggie is showing great understanding regrouping numbers in vertical addition.

Marli has planned a detailed persuasive piece of writing and is showing amazing resilience.

Pigeons are the best birds  
ever, forever ever!

The bird Kingdom is large and  
Full of great species. But none  
compare to the Pigeon....

Pigeons have been loved for  
a very long time, infact  
they were even helpful in  
World War One....

Pigeons were used as  
messengers in war and have  
been ever since!

Opinion: we should ban smoking

Paragraph 1: It has been proven that smoking is bad for your health and can cause cancer and other diseases. Therefore, it is my opinion that we should ban smoking. In addition, smoking is bad for the environment and can cause global warming. For example, when people smoke, they release carbon dioxide into the air, which contributes to the greenhouse effect. Therefore, smoking should be banned to protect our health and the environment.

## Welcome to the new school year!

A very warm welcome to everyone, and a special welcome to families new to the school and our program.

At Camp Australia, we provide an engaging and supportive **outside of school hours space** for children to play, connect, learn and grow. We work together with your school community to deliver a tailored program that is designed to bring out the very best in each individual child. Creating a unique place where children can practice real-life skills in a fun, exciting environment that challenges them to succeed. In our sessions, children will be provided with a healthy snack while given time to relax, socialise with friends and learn some life skills along the way. Come to the OSHC room to meet the friendly team and discover how we can help your family.

### It's FREE to Register.

To attend our program, you must register your child. You can register an account with us at [pp.campaustralia.com.au/account/login](http://pp.campaustralia.com.au/account/login). Once registered, it's easy to make bookings and manage your booking options online via our parent portal. If eligible, to help you with the cost of child care, you may be entitled to receive the Australian Government Child Care Subsidy. Visit [my.gov.au](http://my.gov.au) to find out more.

### Program Details

For more information on our service and fees, visit our website [www.campaustralia.com.au](http://www.campaustralia.com.au). If you prefer to speak to us, you can contact our Customer Care Team, available to support families 24 hours a day, 7 days a week - except for National Public Holidays. Alternatively, you're welcome to visit us in service and chat with our qualified Educators about the Camp Australia program at your child's school.

We look forward to seeing you and your family soon!
